

Prep

Wow, what a busy year! We have learnt many new things including how to write our name, the letters and sounds of the alphabet, numbers to 20, some sight words and began reading and writing just to name a few! This week, we all officially graduated from Prep and to celebrate we all went to the Fun Park and to see The Grinch. We are all super excited to begin Year 1 next year and continue learning new and exciting things with Miss Andrews!
