

# Year 3 in Review

How fast has this year gone? Year 3 have worked hard and strived to do their best throughout this year and I could not be more proud of their achievements and success. I am so fortunate and blessed to have had such a beautiful and fulfilling year with this wonderful, unique bunch of students.

Students using their critical thinking skills to solve STEM problems

Year 3 and 4 Meditating in the Sacred Garden

This year we have worked on and developed our Chromebook skills. Here you can see students working in teams to complete some research for a Science lesson.

Year 3 enjoying bowling at the end of Term 3!

Rodeo Ready! Year 3 loved getting into the spirit during Rodeo week. The students also enjoyed the visit from Chainsaw and Blondie.
