

My Favourite Things about Year 5

My favourite thing about Year 5 was 'Deadly Choices' because it was lots of fun with Brody. He taught us about how indigenous elders lived and how they survived. - Rhyley Wilson

The best thing about Year 5 was the 'Bush Dance'. It was so much fun because when your class finishes their dance, the parents come up and dance with their kids! - Hannah Cama

My favourite thing about Year 5 was camp because we learnt so much about the rainforest, catching tadpoles and other exciting things at Gumburu! - Gabby Dolzan

On the stargazing night, Year 5 had a fun night looking up at the stars and having yummy pizza. After the presentation on looking at different parts of space we looked at the telescopes and looked at Saturn, Jupiter, Venus. It was AMAZING! - Eliza Hartfiel
