Dear Claudine

RE: SUPERHERO SCRAMBLE

Over the last 3 years Superhero Scramble has provided fond memories for parents, grandparents and children of Mount Isa and 2019 is bound to be no different.

Superhero Scramble is being held on the **26 May 2019** and I am writing to request permission to promote the event at your school.

I would like to attend the school (at a date and time convenient to you) and set up a mini Superhero Scramble with 3 or 4 activities that your students can participate in with a classmate. Assistance from some of your Teachers shall be required.

As you are no doubt aware, research has proven that children who engage in outdoor activities are:

- More likely to develop stronger awareness, reasoning and observation skills;
- More likely to develop advanced motor skills such as agility, balance and co-ordination;
- Less likely to have health issues such as heart disease, diabetes and obesity.

Your support with the promotion of Superhero Scramble will benefit Mount Isa children in a number of ways including:

- **ENCOURAGING** children to have fun outdoors;
- **ENHANCING** the bond between children and their parents, grandparents or guardians;
- **ENABLING** families to participate in incidental exercise with the sole focus on fun.

I look forward to hearing from you.

If you require any further details, please contact me on 0427 677 030.

Yours faithfully
Alison Whitehead

SUPERHERO SCRAMBLE is a tailor made race for children aged 6-12. The event is part sport, part Amazing Race, with physical, mental and agility challenges and will take approximately 1-1.5 hours to complete.

Superhero Scramblers must locate and then complete a series of mystery challenges as fast as they can, but there is a twist. Superhero Scramblers race alongside Mum, Dad, Auntie, Uncle or even Grandpa or Grandma. They cannot race alone! Some challenges the kids do themselves, other challenges they do with Mum or Dad, and there will even be occasions when Mum or Dad is put to the test.

SUPERHERO SCRAMBLE is a physical challenge – but not a running race.

SUPERHERO SCRAMBLE is not difficult, but it is a race against the clock and all other teams. Any family can compete and share in the adventure.

SUPERHERO SCRAMBLE is about competition, but also about good sportsmanship. Imagine running a three legged race with Mum? Or what about painting Dads fingernails and toenails? Or even leading Grandma blindfolded through a maze without touching her?

It will take more than being the fastest runner or the quickest thinker to win **SUPERHERO SCRAMBLE**. Superhero Scramblers will need a lot of luck and a maybe just a touch of a superhero power.

SUPERHERO SCRAMBLE challenges will be drawn from inspiration from both backyard and indoor activities.

SUPERHERO SCRAMBLE is about experiencing some awesome, sweaty, family fun and excitement and is a great way for Mount Isa families to be involved in a healthy outdoor challenge.

SUPERHERO SQUIRTS

We understand that kids under 6 want to be just like their big brothers and sisters, so we don't intend on forgetting them. **SUPERHERO SQUIRTS** will compete in their own mini-race prior to the start of the main event with encouragement received from all watching Superhero Scramblers.
