

# Look what's happening in Year 1! 😊

This term we have been learning about so many new things! Here are some of our favourite things we have learnt so far!

## Science

We love STEM activities!

## Maths

We can now skip count in 2's, 5's and 10's and can make growing patterns!

## Health

We have been learning about healthy, active living and designed our own healthy lunches!
