

Prep

Did you know that we have already been at school for 97 days this year?! Prep has been counting down the days of school and we are very excited to reach 100 days of school next Tuesday 30th July so we can have our '100 Days of Prep' party! At our party we will be doing various Literacy and Numeracy activities as well as playing with slime, coloured water, painting and dress ups. But the thing we are most excited about is being 100 Days Smarter!

Love Prep, Miss Merli, Mrs P and Mrs Hobbs
